WFE Houston

Go to www.wfehouston.org for sponsorship opportunities, meeting locations, and to apply for membership!

The Women's Finance Exchange, Inc. is a group of dynamic women who are established in our professions. Most of our members are service providers in the financial disciplines, such as banking, accounting, money management, investment banking, private equity, venture capital, corporate securities, law, commercial finance and investor relations counseling.

The goals of WFE are to:

- Create and develop a network of professional women with careers in the financial service industry or careers supporting financial services,
- Generate referral partnerships by networking with others in the organization,
- Provide programs and learning opportunities that foster professional development and encourage social interaction among members; and
- Give to our community by promoting and enhancing the welfare of all women.

Regular Member

This membership is targeted to professional women employed by a business in the financial industry or who act as service providers to businesses in the financial industry. Businesses in the financial industry include banks, brokerage firms, financial analysts/managers, private equity, investment banking, and venture capital. Service providers include professionals in the accounting, tax, legal, treasury/finance, lending, wealth management, human resources, recruiting, commercial insurance, financial printing, consulting, and marketing/public relations fields. Each regular member must have a minimum of three years of working experience in business or as a service provider to a business in the financial industry.

Junior Associate Member

This membership tier is targeted to freshly minted professional women with less than 3 years of experience who are employed in the financial industry or act as a service provider to the financial industry. Each junior associate will be paired with a WFE board member, meeting quarterly to encourage growth in the associate's professional endeavors while building mutual collaboration within our vibrant organization.

This membership will be offered at \$75 per year plus the member price of events.

The goals of WFE for Junior Associate members are to:

- Create and develop a network of professional women with careers in the financial service industry or careers supporting financial services;
- Continue to foster growth and development amongst the members in WFE;
- Nurture opportunities to enrich our membership demographics to make them mirror our work environment; and
- Create an opportunity for mentorship to ensure that as women we continue to be a driving force in the Houston market.
